**International Thermal Spraying Seminar (ITSS) & China National Thermal Spraying Conference (CNTSC)
Second Round of Announcement**

The International Thermal Spraying Seminar (ITSS) and China National Thermal Spraying Conference (CNTSC) are held every year in the autumn time. Please refer to the ITSS'2017 Shenyang (Shenyang, a famous historical and cultural city, is a large city with a long history. Shenyang has more than 2600 years of history. Shenyang is known as "once the birthplace of the two dynasties emperors" and it is China first batch outstanding tourist city.) notice for this year's Seminar and Conference information. For future seminar and conference information, please contact with Prof. Huang by phone or email.

**20th International Thermal Spraying Seminar
12-15 September, 2017,
Shenyang, China**

Background

For the purpose of introducing overseas advanced thermal spraying technology and creating closer cooperation and information exchange between domestic and international, the 20th International Thermal Spraying Seminar (20th ITSS) will be held on 12th ~15th (15th for Shenyang and Benxi Visit) September 2017 in Shenyang, a beautiful historical city of China.

The 20th International Thermal Spraying Seminar is sponsored and organized by the Thermal Spraying Committee of China Surface Engineering Association. On the seminar, the Organizer will arrange adequate time for the participants to introduce their Companies, Institutes, Universities, latest products and research achievements, to exchange technology with Chinese thermal spraying participants to develop commercial activities and create business opportunities in Chinese markets.

All the worldwide thermal spraying companies and experts are welcomed to participate in the Seminar, introducing the latest development of the thermal spraying technology, discussing the technical and commercial cooperation and creating trading opportunities, to speed up the cooperation of domestic thermal spraying enterprises with overseas by different forms, such as trading, technology transfer, joint venture, etc.

Deadline for Papers/presentation submission

The Speaker on the Seminar please sends the paper to the Organizer by email by 20th Aug.

Participation

For Lectures, please fill in the **Registration Form A**

Registration fee US \$ 350.00

Local cost per person US \$ 650.00

For participants only, please fill in the **Registration Form B**

Registration fee US \$ 150.00

Local cost per person US \$ 650.00

The local cost includes 3-night (12th-14th September) accommodation at Liaoning Mansion Hotel (a four-star hotel), which will be arranged by the organizer, as well as local transportation, meals, etc. Please inform us if you intend to join 15th Shenyang and Benxi Visit (not included in the local cost) and your arriving time at least one week earlier. The organizer will assist you to make registration of the seminar at the 7th Floor of the Liaoning Mansion Hotel from 8:00am~23:00pm on 12th Sep. Please take taxi from railway station or airport to the hotel by yourself. You will find the details about the Liaoning Mansion Hotel on Page 3.

Payment

Please fax the Registration Form and make payment to the organizer by remitting to the Account below:

Receiver: Thermal Spraying Committee of China Surface Engineering Association

Bank: Industrial and Commercial Bank of China, Dongsheng Road, Beijing Municipal Branch

Account No: 0200006209014452462

Please also fax the Registration Form to the Organizer before 20th August, 2017.

A formal receipt will be sent to you as soon as the payment is received.

Welcome you participate in the 20th International Thermal Spraying Seminar. Welcome you cooperate with Chinese enterprises to develop the thermal spraying market.

Organizer: Thermal Spraying Committee of China Surface Engineering Association

Address: No.1, Beishatan, Deshengmen Wai, Beijing, China 100083

Tel : +0086 10 / 64882554, 64882560, (0)13901358778

Fax: +0086 10 64872316 **E-mail:** tsc1992@126.com

Person to Contact: Prof. Huang Xiaou, General Chairman

Registration Form A (for Lecturers)

Please complete and return the Registration Form by 20th Aug. 2017 to:

Thermal Spraying Committee of China Surface Engineering Association,

No.1 Beishatan, Deshengmen Wai, Beijing, P. R. China 100083

Tel: +86 10 64882554, 64882560 Fax: +86 10 64872316

*Please use one registration form for **each** participant!*
