

**International Thermal Spraying Seminar (ITSS) & China National Thermal Spraying Conference (CNTSC)
Second Round Announcement**

The International Thermal Spraying Seminar (ITSS) and China National Thermal Spraying Conference (CNTSC) are held every year in autumn time. Please refer to the ITSS'2019 Maanshan (Maanshan is a medium city with a very long history. It is in the east of Anhui, it's also very close to Nanjing, Jiangsu. As one of the top ten iron and steel industrial bases in China, and one of the top ten ports in the Yangtze river, the city is established for its steel industry, so it is known as the "steel city". Maanshan beautiful scenery, charming landscape, is a landscape city with typical southern charm.) Announcement for detailed information of the Seminar and Conference this year. For further information related to future seminar and conference, please contact Prof. Huang via phone or email.

**22nd International Thermal Spraying Seminar
October 22nd-25th, 2019,
Maanshan, China**

Background

For the purpose of introducing overseas advanced thermal spraying technology and accelerating the closer cooperation & information exchange at home and abroad, the 22nd International Thermal Spraying Seminar (22nd ITSS) will be held on 22nd ~25th (25th for Maanshan Visit) October 2019 in Maanshan, a beautiful historical city in China. The 22nd International Thermal Spraying Seminar is sponsored and organized by the Thermal Spraying Committee of China Surface Engineering Association. During the seminar, the Organizer will arrange adequate time for the participants to introduce their companies, institutes, and universities with the latest products and research achievements, to exchange technologies with Chinese thermal spraying participants, to develop commercial activities, and to create business opportunities on the China market. All the worldwide thermal spraying companies and experts are welcomed to attend the Seminar, to introduce the latest development of thermal spraying technology, to discuss the technical and commercial cooperation, to create the trading opportunities, and to speed up the cooperation of domestic thermal spraying enterprises with the overseas in different forms, such as trading, technology transfer, joint venture, etc.

Registration Form B (for participants only)

Please complete and return the Registration Form before September 30th, 2019 to:
Thermal Spraying Committee of China Surface Engineering Association,
No.1 Beishatan, Deshengmen Wai, Chaoyang District Beijing, P. R. China 100083
Tel: +86 10 64882554, 64882560, (0) 13901358778 Fax: +86 10 64872316
E-mail: tsc1992@126.com lulesong@126.com

Please use one registration form for *each* participant!

Participant (will not give lecturers at the Seminar)

Please fill in the form in the capitalized letters.

Deadline for Papers/presentation submission

The Speakers at the Seminar please send the presentations to the Organizer through email before September 30th, 2019.

Participation

For Lectures, please fill in the **Registration Form A**

Registration fee US \$ 1000.00

For participants only, please fill in the **Registration Form B**

Registration fee US \$ 800.00

The cost includes registration fee, 3-night (Oct. 22nd-24th) accommodation at Wanda Realm Maanshan Mansion Hotel, the local meals, etc. If you intend to join the Maanshan Visit (not included in the registration fee) on the October 25th, please inform the organizer at least one week in advance. The organizer will assist you to make registration of the seminar at the lobby of the Wanda Realm Maanshan from 8:00am~23:00pm on October 22nd. Please take a taxi from the railway station or airport(**the Nanjing Lukou Airport**) to the hotel by yourself. You can find the detailed location of the Wanda Realm Maanshan on Page 3.

Payment

Please arrange the related payment to the organizer through T.T. with the account below:

Receiver: China Surface Engineering Association
Bank: Industrial and Commercial Bank of China Beijing Municipal Branch, Beijing, PRC
Account No.: 0200345509100002959

Please send the Registration Form through fax to the Organizer before September 30th, 2019.

A formal receipt will on October 22nd be sent to you as soon as the payment is received.

Welcome you to attend the 22nd International Thermal Spraying Seminar.

Welcome you to cooperate with Chinese enterprises to develop the thermal spraying market.

Organizer: Thermal Spraying Committee of China Surface Engineering Association

Address: No.1, Beishatan, Deshengmen Wai, Chaoyang District Beijing, China 100083
